Esmeralda Town Center is part of the KAEC development near Jeddah, Saudi Arabia. Esmeralda Town Center will be the activity hub for several new residential neighborhoods, providing recreation, religious, educational, and retail facilities. Schools and a retail mall are located adjacent to the KTGy project site. Included in the KTGy scope are a large Golf Clubhouse, a private VIP Club, restaurants and shops, a Women's Spa and Health Club, a Community Center, Golf Academy, and a Friday Mosque. The Golf Clubhouse includes restaurant and banquet facilities, golf pro shop, starter's check-in, locker rooms, Men's Spa, activity lawns, and a large public lobby. A well screened cart maintenance and storage area is provided with quick access to the Starter's check-in. The VIP Club provides private lounge, meeting, and dining areas, a cigar lounge, and a training room with full AV capabilities. The Women's Spa and Health Club includes lobby and check-in, locker rooms, day spa, health club, indoor pool, beauty salon, restaurant, juice bar, and retail. In accordance with cultural requirements, this facility is well screened from the outside. The facility is constructed around a courtyard that provides private outside areas. The Community Center includes Day-Care and children's play area, children's pool and water slide, 25 meter pool, locker rooms, basket ball court, health club with racquetball courts, snack/juice bar, and indoor running track.
