## Facts

Area: 30,000 sq. ft.

Located in the City of Eastvale, Hamner Place is a 13-acre horizontal mixed-use community featuring street-front, single-story ground-up retail pad buildings. The contemporary design of the retail shops and restaurants is highlighted by the building materials such as natural stone and corten steel finish adding a fresh aesthetic and bringing vitality to the outdoor environment. The shops and eateries offer outdoor seating allowing diners to enjoy open space taking in the sites and natural atmosphere. A traditional single-family neighborhood surrounds the shopping plaza and adjacent hotel attracting visitors of every age from families, to young professionals, students and out-of-town guests.
