The Komenoki high-rise residential complex features 168 stacked-flat condominiums and is conveniently located in front of a rail station and bus terminal. The transit-oriented, high-density residential community targets first-time home buyers, young families and professionals that work at nearby Toyota. Situated on 1.24 acres, the high-rise residential complex consists of two residential towers, a 20-story building and a 14-story building with a 4-level parking structure that serves the entire community offering one parking space per unit.
