Craig Pryde brings over 30 years of experience to his role as Principal in KTGy's Chicago office. He has designed projects across a wide spectrum that include single family, multifamily residential, mixed use residential, retail commercial office and healthcare.

Mr. Pryde is an expert in the design of single and multifamily residential projects and is actively involved thru all phases of the project to ensure the Client's goals and objectives are delivered efficiently. He is experienced in low, mid and high rise construction and excels at coordination of design elements with sub-consultants.

Mr. Pryde is also an expert at leading projects thru the zoning entitlement process and organizing client project data and requirements for successful approvals. He works closely with his clients to make sure that the design has met the project goals and objectives.

Mr. Pryde is a LEED AP BD+C professional and practices sustainable design in all KTGy projects.
