- National Green Building
Standard (NGBS) Gold-Certified

Gold Certified by the National Green Building Standard (NGBS), Paragon at Columbia Overlook clubhouse is a 6,321 sq. ft. building located in a 320-unit apartment community. The clubhouse features a gathering room with fireplace, 24/7 fitness center, media/game room, winter garden with fireplace, conference room, large patio and men’s and women’s serenity rooms for massages. The apartment community includes a 1,190 sq. ft. recreational building called the “Adventure Center” that provides convenient storage for bikes, kayaks, and canoes and also has a pet washing station. In addition to those fabulous amenities, Paragon at Columbia Overlook provides residents with a public Greenhouse to use throughout the year, a resort-style saltwater pool and a dog park. This community is conveniently located at I-95 and Route 175 in Howard County.
