Use
Clubhouse

Facts

- Floor Plan - 5,094 SF
- Site Area - 0.77+/- AC

20140313

Westside at Shady Grove Station Metro transforms a 90-acre industrial park into a TOD mixed-use development featuring residential, office and retail space located near the Shady Grove station for the Metro Red Line. This contemporary clubhouse will set the theme of the amenity facilities for approximately 500 townhomes. Includes living room style relaxation space opening onto an expansive patio with stone wall fireplace and kid's picnic area. Exercise room, meeting space and bath house for the pool amenities complete the space.
