The Lanterns at Warren Woods, located conveniently between the town centers of Ashland and Holliston, is a captivating 55+ neighborhood that truly has it all. This unique condominium community provides three distinct single-family detached-style home options, with a beautiful central meetinghouse and family-friendly pool. Board and batten siding, six pane windows, and welcoming front porches emphasize the Craftsman style architecture. With many floor plan options, from single to multi-story, every home is designed with universal living in mind and feature a complete first floor living experience. These homes have convenient access to walking trails and peaceful woodlands.
