The Carolinas at Lenah Mill is a new home community in Aldie, Virginia, featuring newly designed exteriors and home designs with two-car side-entry garages, covered front porches and open interiors. All home designs offer flexible spaces with a blend of quality materials and superior style to meeting the unique needs of residents. A harmonious blend of materials for each façade, such as vertical siding for farmhouse, shakes for craftsman and brick for traditional create a diverse streetscape welcoming residents and visitors. The Ahrens features a welcoming covered entry and foyer with tray ceilings opening onto the bright great room. The well-equipped gourmet kitchen overlooks a large casual dining area and features a large center island with a breakfast bar, ample counter and cabinet space, and a roomy walk-in pantry. The expansive primary bedroom suite is complete with an elegant tray ceiling, dual walk-in closets, deluxe primary bath with dual vanities, a free-standing tub, luxe glass-enclosed shower, dressing area, and linen and private water closet. Central to a sizable loft, the secondary bedrooms feature walk-in closets, two with a shared bath and one with a private full bath. Additional highlights include a desirable office and convenient powder room adjacent to the foyer, a separate family foyer off the garage, centrally located second-floor laundry and plenty of closet space and storage throughout. Lenah Mill features more than 300 acres of preserved open space and extensive community lifestyle amenities within walking distance, including a 24-meter competition pool, splash and play pool, hiking and biking trails, basketball court, health and fitness studio, tennis pavilion, adventure park playground and bark park.
